

DONO STIA SAN SEBAS TIÁN

MUCH MORE
THAN A
BEAUTIFUL
CITY

Any excuse is a good excuse to visit San Sebastian. Beyond the inimitable beauty of **La Concha bay**, which so fascinated royalty at the beginning of the last century and continues to captivate everyone who casts an eye over it today. The city is the stage for **innovative gastronomy** that has gained fame the world over, has a **wide range of festivals** which have made it an authentic cultural phenomenon, and an **active and healthy lifestyle** which is very in touch with the natural resources it offers.

FESTIVALS AND CULTURE CITY

A clear indicator of the intense cultural activity found in San Sebastian is its numerous festivals. It is without a doubt one of the city's greatest assets and therefore makes it a cultural tourist attraction. Beyond the numerous festivals, many of these of world renown, the museums, its architecture and the artistic centres are the best excuse for visiting it. Due to all these facts SAN SEBASTIAN will become the 2016 European Capital of Culture.

SPORT CITY

San Sebastian is a lively, active and healthy lifestyle city closely linked to open air sports activities. The numerous sporting events which take place in our city and the different international movements which set a trend towards healthier ways of living converge in a city which is very in touch with the sports experience.
